“Happy people make happy events.”

We employ over 50 casual staff. We offer all our staff specific training in all events operations and we invest in their personal and professional development.

WHY WORK WITH US?

Cost-effective

We own 99% of all products used in our events. This way, we manage to keep costs under control for our clients.

Creative Team

If you cannot find your idea on our website or in our brochures, we can bring it to life. We have a large team of creatives that will make sure everything you have envisioned and even more is brought to life in your event.

Large database of premium suppliers

Even though we own 99% of our In 25 years we have worked with and tested all suppliers on the market. This helps us provide you with the best quality for the best price from our trusted partners.

OUR SERVICES

ENTERTAINMENT

We create corporate events where entertainment is seamlessly integrated into the overall experience. From high-calibre live performances to immersive production elements, we design events that captivate audiences while reinforcing your brand message.

Our expertise includes curated live acts, professional event hosts and MCs, and innovative immersive technologies such as LED environments, interactive visuals, and audience engagement platforms.

Each entertainment element is thoughtfully aligned with your brand, audience profile, and event objectives to ensure maximum engagement and professionalism.

TYPES OF ENTERTAINMENT:

- Immersive LED & Digital Performance Acts
- Live Bands
- Interactive DJs & Live Musicians
- Celebrity or High-Profile Event Hosts
- Aerial & Acrobatics Performers
- Experiential Roaming Performers
- Interactive Visual Artists

TEAM BUILDING ACTIVITIES

Effective team building plays a critical role in developing positive work dynamics, improving productivity, and promoting an inclusive culture. We offer a comprehensive range of physical and cerebral activities, allowing us to design programmes that align with your organisational goals and exceed event objectives. Each activity is structured to leverage the diverse skill sets of participants, ensuring that every team member is actively involved and valued.

Our team-building solutions are fully adaptable and can be delivered for small or large groups, in both indoor and outdoor settings, providing maximum flexibility to suit your event format and venue.

OUR SERVICES

Event Assist is a cost-effective service designed to strengthen your existing event team by providing the support of a senior event coordinator throughout the planning and delivery process.

Rather than outsourcing your event, this service ensures all components remain an internal production while benefiting from the added confidence, structure, and expertise of a qualified professional. Event Assist offers expert guidance, oversight, and problem-solving exactly where it's needed, helping your team deliver a polished, successful event while retaining full control and ownership.
